May 28th, 2025

10:00am - 1:30pm

Check-In: 9:00am to 9:45am

@ Billings Career Center

3723 Central Ave.

Billings, MT 59102-43051

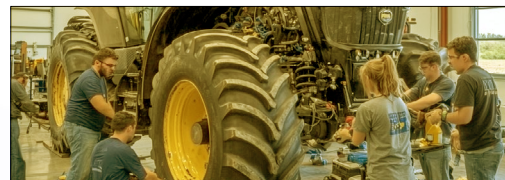

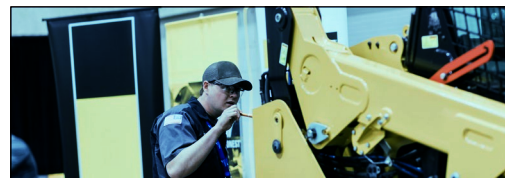

Who's Invited

Open to all high schools across Montana with
interested students

What to Expect

Students will be invited to engage with a diverse
range of technician and equipment operator
industries eager to meet and recruit young
talent. Students will also be given the chance to
partake in interactive activities to gain hands-on
experience and learn the necessary skills needed
to excel in the industry. There will be prizes and
giveaways to be won for those that participate!

The Youth Workforce Development Foundation and AED Foundation, with support from the Apprenticeships Build America program, are partnering with Montana Contractors Assoc., Build Montana, and SkillsUSA Montana to host a hands-on career event connecting students with leaders in the technician and equipment operator industries.

Why Attend?

- **Get hands-on experience** - Participate in interactive activities to learn real-world skills and processes in the industry.
- **Connect with Employers** - Meet top companies (original equipment manufacturer and their dealers) in the industry that are looking to hire and grow their future workforce.
- **Explore Career Paths** - Discover a variety of roles and opportunities within the industry.

**Free
Event**

& Lunch Provided.

SkillsUSA membership
not required.
